Custom services

Get everything you need and start selling premium courses.

Upload and convert your content

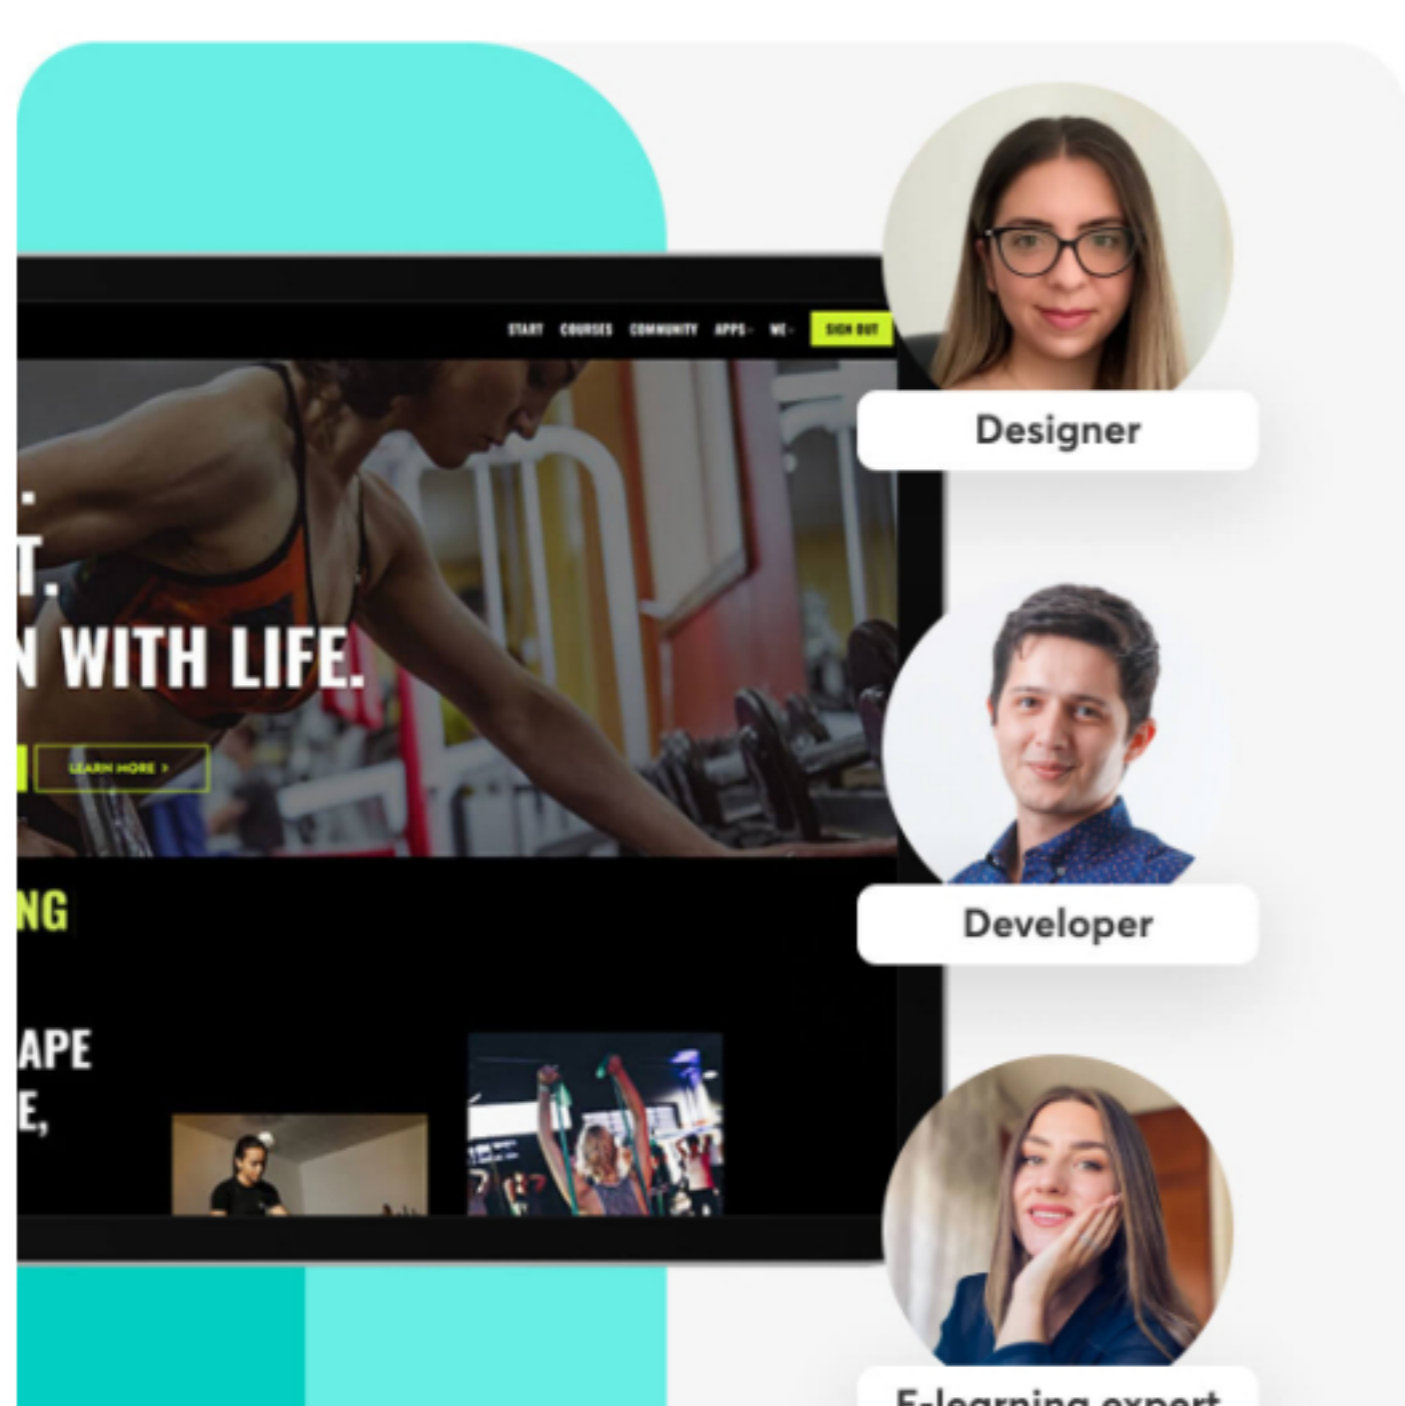

Do you have many courses to upload and simply cannot find the time for it? Does your content (videos, texts, quizzes etc) need to be converted to another format before uploading? Our specialists can help you take care of all this.

Customize your LearnWorlds

Are you seeking for some special customizations for your school? Do you have any special interface requirements? Our in-house designers and web developers can help you achieve just about any result.

Content development

Do you need to shoot and produce your video courses? Or do

- Are there any course sale fees or hidden fees?
- Are there Transaction Fees for accepting credit card payments?
- Can I offer free or private (unlisted) courses?
- Do I need a web hosting service?
- Who owns the content I upload?
- What is the uptime guarantee?
- I am a registered non-profit. Can I get a discount?

- How do I get paid for the courses I sell?
- Can I switch plans or cancel at any time?
- What if I don't sell courses and just want to train my employees or customers? Can I use LearnWorlds for corporate training?
- I have my own website (domain name). Can I use it?
- Money Back Guarantee
- How secure is my data?
- Do you have more Questions?
