

Current service limits:

Plan	Billing interval	Maximum code block conversions (up to 5 KB)	Maximum file conversions (of any size)	Maximum Storyboard → SwiftUI conversions
Cloud 30	Monthly	300	30	3
Cloud 100		1,000	100	10
Cloud 300		3,000	300	30
Cloud 1,000		10,000	1,000	100
Cloud 300	Yearly	3,000	300	30
Cloud 1,000		10,000	1,000	100
Cloud 3,000		30,000	3,000	300
Cloud 10,000		100,000	10,000	1,000

Note: If a conversion fails due to a parser error, the conversion **does not count** towards the conversion limits!

The following use cases are treated as **code block conversions**:

- Online Code Converter
- Xcode Extension: "Convert Selection to Swift" and "Paste as Swift" commands
- Text Services Integration (right-click the selected text → Services → Convert Selection to Swift from most text editing apps)

The following use cases are treated as **file conversions**:

- Online File & Project Converter
- Finder Extension
- Advanced Project Converter

Source files include the following:

- Objective-C header and source files
- [Xcode project and workspace files](#)
- [Storyboard and XIB files](#)
- [Bridging Header and PCH files](#)

You are welcome to exclude any large resources and third-party libraries from your upload.
