Choose Pro Max

These hours are for AI transcription—not audio recording. Your chosen tier determines how much recorded audio Remi8 can transcribe during the included first year; it does not cap the device's recording time.

Your first year is already

One-time device purchase

Your Remi8 AI Recorder is included in the listed price.

1-year plan included

covered.

The displayed price includes the Remi8 AI Recorder device and the selected 1-year transcription plan. It is not a device-only price, and there is no separate plan payment in year one.

Same device in every tier

Lite, Pro, and Pro Max differ only by their first-year transcription allowance.

Recording is separate

Plan hours apply to AI transcription, not to how much audio the device can record.

• AFTER THE INCLUDED FIRST YEAR

Choose your plan after the first year.

A monthly subscription is not compulsory. After year one, choose a monthly or yearly transcription plan in the Remi8 AI Mobile App—or continue using valid add-on minutes you already purchased.
