Res. Sir/Ma'm

Dated: January 23rd 2023

Greeting From TIRUPATI INTERNATIONAL!!!

Order ID: TI/2022/14785

As per, IT-Service is improving every segment of Human Kind, We also helping the Health care Segment to make it Eco-Friendly We are hereby introducing the "[Tirupati Ultimate HMS Pro+](#)" The Excellent Hospital Management Software Kindly go through it and Consider for further Discussion & We will pleasure to offer you a Batter Healthcare-Eco-Solution for your Hospital. We are established in 2013 with crystal clear vision to create a best Healthcare Solution provider to improve their Hospital Working Efficiency with a Secure Software & Dedicated Hassel Currently Company have a wide network of over 250+ Satisfied Client's All over India & Abroad. Free Software & with this Thinking we brought to you...

[Tirupati Ultimate HMS Pro+](#)

Objective: -

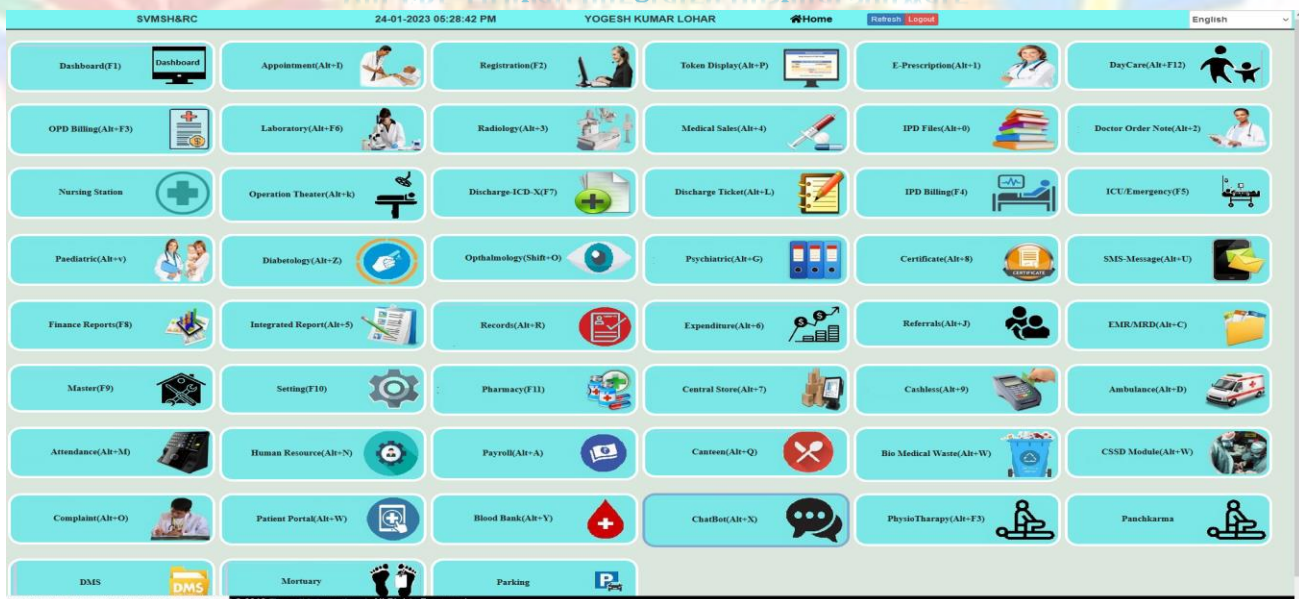

To Provide an integrated Solution for the Hospital, which

- Helps in Efficient Management of the Hospital.
- Enhance Patient Care
- Improve work efficiency
- Improve Fiscal Control
- Eliminate the chances of any Pilferage
- Enable the Growth of the Hospital.

What you need:-

- Be fully informed about the Vital Stats of the Hospital.
- Lesser dependency on middle & Lower Management. Full control on the staff.
- Take corrective actions based on the data instantly.
- Helps you to Plan any future activity.
- Ultimate Aim - **Better Patient Care with Efficiency.**

Our ERP Tirupati Integrated Hospital Software

Tirupati Software Infotech Pvt. Ltd.

(An ISO 9001:2015 Certified Software Company)

PAN No:AAHCT5477G

TAN No:JPRT03472A

GSTIN No:08AAHCT5477G1ZX

CIN No:U72900RJ2019PTC066550

- **Tirupati Ultimate HMS Pro+** streamlines and integrate the operation processes and information flow in the hospital to synergize the resources namely men, material, money and equipment's through information.
- This ERP facilitates hospital-wide Integrated Information System covering all functional areas like out & in Patients Billing & Management, Patient Beds, Visiting Consultants, Medical Stores, Pathology Laboratories, Radiology Laboratories, Imaging, Pharmacy, Manpower Management, Kitchen and Laundry Services etc.
- It performs core hospital activities and increases customer service thereby augmenting the overall Hospital Image. ERP bridges the information gap across the hospital
- **Tirupati Ultimate HMS Pro+** eliminates the most of the business problems like Material shortages, Productivity enhancements, Customer service, Cash Management, Inventory problems, Quality problems, Prompt delivery, Pilferage, TPA Billing etc.

Key Features:-

- **Tirupati Ultimate HMS Pro+** is a fully integrated, Hospital Information System Solution.
- **Tirupati Ultimate HMS Pro+** gives a total integration of order entry systems, administrative system, and departmental subsystems within a hospital.
- **Tirupati Ultimate HMS Pro+** allows for scalability, reliability, efficient data processing, quick decision making, reduced maintenance and overheads.
- **Tirupati Ultimate HMS Pro+** data is stored in a single database providing real time data across applications throughout the hospital. Since all the data is stored centrally, it can be viewed simultaneously from multiple terminals giving all departments' access to timely, up-to-date patient information.
- **Tirupati Ultimate HMS Pro+** offers a foolproof data security without user intervention to archive data.
- **Tirupati Ultimate HMS Pro+** is a comprehensive information system dealing with all aspects of information processing in a hospital. This encompasses human (and paper-based) information processing as well as data processing machines.
- As an area of Medical Informatics the aim of TIHS Plus is to achieve the best possible support of patient care and administration by electronic data processing.
