SignAcctPro Pricing

Sign shop management software by AMZE Studio | signacctpro.com

One price per shop and every feature in every plan. Plans differ only by how many people can sign in.
Start with a 14-day free trial, no card needed.
All prices are in US dollars; sales tax or VAT is added where it applies.

Starter

$49 / month

or $490 / year

Up to 2 users

For a one- or two-person shop.

Professional

$99 / month

or $990 / year

Up to 5 users

For a growing shop with a small crew.

Business

$199 / month

or $1,990 / year

Up to 15 users

For busy shops with designers, installers and an office.

Included in every plan

- Quotations from your own price lists and a plain description of the sign
- Online quote approval with e-signature, no client account needed
- Design Studio with client proofs, mockups and plaque design
- Sign catalog of indoor and outdoor sign types with technical details
- Price estimator for your own website
- Jobs board, checklists and site photos
- Invoices, deposits and payments; card payments through your own Stripe account
- Double-entry accounting and reports
- Shop expenses, staff, payroll and monthly summary
- CRM for leads, follow-ups and email, with roles and permissions

Terms

- Free trial: 14 days, every feature open, no credit card needed.
- When the trial ends, choose a plan to keep working; otherwise the account pauses and your data stays safe.
- Refunds: ask within 14 days of any payment for a full refund.
- Billing: monthly or annual subscription. Cancel any time.
- Prices of signs and materials are always entered by your shop from its own vendors.
